## MEDICINAL.

### CURES OTHERS.

Mrs. J. H. LANSING, of South Glen's Falls, Saratoga County, N. Y., writes: "After my third child was born, I barely gained strength enough to accomplish the little house work that I had to do, and that only by lying down to rest many times each day; had sick headache very often, many pains and aches all the time. After I had taken one bottle of your 'Favorite Prescription' I could see a great change in my strength and less sick headache. Continued taking the medicine until I had taken seven bottles of the 'Favorite' and one of the 'Golden Medical Discovery.' I am now able to do housework for my husband and two children aged nine and five. I also take dressing, and enjoy walking a mile at a time, when I can have the time to do so. And I am sure it is all due to Dr. J. C. Williams' Favorite Prescription as I know I was fast before I commenced to take it, and by medicine dealers everywhere."

## MEDICINAL.

### Sick

—Not Lazy

that's probably what ails you if you're drowsy in the day time. If you yawn, stretch, and feel too weak to work, and broken up generally, some people may call it "Spring Fever," but you are sick.

But do not be discouraged. Many persons have felt just like you do, and have been made well and strong by

### Brown's Iron Bitters

and what this famous old strengthening medicine has done for others it can do for you.

But what is it that makes Brown's Iron Bitters so good for the health? Any physician can tell you.

Brown's Iron Bitters is pleasant to take. It will not stain the teeth nor cause constipation. See the crossed red lines on the wrapper.

populous of the cemeteries.—Washington News.

### STRANGER THAN FICTION.

During the battle of the Wilderness, says a western exchange, Henry F. Lowpen, a corporal in the Thirty-second Indiana Volunteers, lost his right arm at the elbow by an explosion of a shell.

His cousin, Bradley Jamison, ex-State Chancellor of Missouri, now lives on the scene of the battle, and last week, when his 15-year-old son was bird-nesting, he found a new nest in a skeleton hand in the fork of a large maple tree.

On the hand was a seal ring, and on taking his strange find home the ring was at once recognized as his uncle's. The latter is now dead, but the ring has been sent to his widow, who lives with a married daughter in Seattle, Washington.

### TODDLER HUNG HERSELF AT PLAY.

Little five-year-old Norma Hughes hung herself and died while in quest of her lost ball during a visit which she with her parents was making at Mrs. Smith's home in Scranton, Pa., on Tuesday. Her ball had rolled under a boardwalk in the yard. The child thrust her head through the less than five-inch aperture to find the ball. She could not withdraw her head, but in her frantic efforts to do so, strangled herself, and was dead when discovered.

### Agreeable Surprise.

"I had a severe cold on my lungs that caused much soreness and gave me considerable uneasiness in regard to the result," says Mr. T. E. Smith, of Bileric, Mass. "A local druggist called my attention to Chamberlain's Cough Remedy, and on his recommendation I gave the remedy a careful trial. The result surprised me; I recovered entirely in three days." 25 and 50 cent bottles for sale by L. Stabler & Co.

### Are You Ever Annoyed

by a buzzing or roaring sound in your head? Have you difficulty in hearing distinctly? Are you troubled with a continual dropping of mucus, irritating the throat and causing you to cough? Is your breath unpleasant? affected and accompanied with bad taste? Is your hearing less acute? If so, you have catarrh and should at once procure a bottle of Ely's Cream Balm, the best known remedy. The Balm will give instant relief.

### Chamberlain's Eye and Skin Ointment

### TO ROSE OWNERS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success.
